

## \* FILMING NOTIFICATION \*

**Thurs Feb 14<sup>th</sup>, 2019**

Dear Stakeholders and Residents,

We will be filming scenes for the CBS Series entitled NCIS: NEW ORLEANS in your neighborhood on **Thursday Feb 21<sup>st</sup>, 2019**. NCIS stars Scott Bakula, Lucas Black, and CCH Pounder. We thank you for the opportunity to film in your neighborhood. We realize that you may have had a great deal of filming in the past and that it can sometimes be a nuisance. We would like to make this a positive experience for you. Our main company will move in and begin filming in the area from approximately **3pm-10pm**. On the day of filming our crew parking and base camp will be situated in private lots to minimize our impact in the area. All driveways and handicap zones will be respected. We work closely with Film New Orleans to help ensure that we adhere to the standards they have set forth. We will have police on hand as well as security throughout this process. If you have any specific parking concerns, contact us as soon as possible with any special needs so that we might come up with some creative solutions to address said concerns. If you have any loud construction work or large deliveries scheduled for the day in question, please let us know in advance so we can accommodate your needs.

There will also be ITC (Intermittent Traffic Control) between the hours of **7am and 7pm**, excluding rush hour times, at the intersection of **St Charles Ave and Audubon Pl on Thursday Feb 21<sup>st</sup>, 2019**.

Parking will also be affected on the following streets from **12:01am to 11:59pm on Thursday Feb 21<sup>st</sup>, 2019**:

### **Both sides 6900 Blocks of St Charles Ave- Clear for Picture and Work Trucks**

We endeavor to make this as pleasant an experience as possible as the key to continuing Louisiana's role as a premier filming destination is community involvement and support. The film industry creates a wealth of local jobs and opportunities in communities across Louisiana. We are excited to play a part in this growth and productivity. We are looking forward to our upcoming work in the neighborhood. We thank you so much for your hospitality & patience. Do not hesitate to contact us at any time with whatever questions.

Sincerely,

Evan Eastham  
Location Manager
