STREETCAR TRACKS

Published by The St. Charles Avenue Association

Spring 2026

LETTER FROM HOLLY SHARP SNODGRASS, SCAA PRESIDENT

The Saint Charles Avenue Association ("SCAA") has continued its mission to watch over and encourage the historic and residential character of Saint Charles Avenue. We fertilize and maintain the 1,000 live oak trees along the avenue and have planted new live oak trees to replace lost trees. We are working with Bayou Tree Service, Inc. on a detailed inventory of the live oak trees along Saint Charles Avenue.

We are making progress on our goal of preserving "the Avenue" as a beautiful, historic linear park.

We monitor the zoning issues presented by construction along the Avenue, and when necessary, take action to ensure compliance. We work closely with our councilmembers and neighborhood representatives to fulfill our mission. We recently installed a sign at the corner of Washington Avenue and Saint Charles Avenue commemorating the historic significance of the streetcar line and its designation as a national historic landmark.

Landscape Images has recently re-landscaped, at SCAA expense, the small neutral ground plot at the intersection of St. Charles Avenue and Carrollton Avenue. It invokes the nearby Mississippi River and serves as a beautiful entrance to the Avenue from that direction.

Please join us as a new member or renew your existing membership. Your membership dues allow us to continue to protect and beautify Saint Charles Avenue. Encourage friends and family members to purchase a membership. All members will be invited to our annual meeting in November, to be held at a lovely New Orleans home.
